

What are Cookies?

Information about our cookies

Cookies are small text files stored on your device when you access most websites on the internet or open certain emails. Among other things, cookies allow a website to recognise your device and remember if you have been to the website before. We use the term cookie to refer to cookies and technologies that perform a similar function to cookies (e.g. tags, pixels, and web beacons).

Our website uses cookies to distinguish you from other users of our website. This helps us to provide you with a good experience when you browse our website and also allows us to improve our site. By continuing to browse the site, you are agreeing to our use of cookies.

Our online use of cookies

Cookies on this website are used for many purposes including but not limited to:

- enabling a subscriber to register on the site be verified and to have such details remembered for later by utilising a subscriber login to access the Delmere Projects Limited t/a Delmere Projects services;
- enabling a subscriber to avail of the Delmere Projects Limited t/a Delmere Projects services via the site;
- recognising your computer when you visit the site;
- improving the site and the site's usability;
- analysing the use of Delmere Projects Limited t/a Delmere Projects's services;
- administrating the site;
- preventing fraud and improving the security of the site; and
- to analyse the use of the services through analytics software such as Google

Analytics: We use Google Analytics, a popular web analytics service provided by Google, Inc. The information generated by the cookie about your use of the site including your IP address will be transmitted to and stored by Google on servers in the United States. Google Analytics will use this information for the purpose of evaluating your use of the site, compiling reports on activity and behaviour – such as the typical length of stay on the site or the average number of pages a user views or for the purpose of providing other services relating to user activity and internet usage. Google may also transfer this information to third parties where required to do so by law, or where such third parties process the information on Google's behalf. Google undertakes not to associate Your IP address with any other data held by Google. Google's privacy policy is available at: <http://www.google.com/privacypolicy.html>.

If you would like to opt out of being tracked by Google Analytics you can use the opt-out tool at: <http://tools.google.com/dlpage/gaoptout>.

We use the following cookies:

- **Strictly necessary cookies.** These cookies are essential, as they enable a user to move around a website and use its features, such as accessing secure areas. Without

these cookies, such as access to secure areas cannot be provided. These cannot be restricted or blocked.

- **Analytical/performance cookies.** They allow us to recognise and count the number of visitors and to see how visitors move around our website when they are using it. This helps us to improve the way our website works, for example, by ensuring that users are finding what they are looking for easily. These cookies don't collect information that identifies you. All the information that these cookies collect is anonymous and is only used to improve how a website works. These can be restricted or blocked
- **Functionality cookies.** These are used to recognise you when you return to our website. This enables us to personalise our content for you, greet you by name and remember your preferences. These can be restricted or blocked
- **Targeting cookies.** These cookies record your visit to our website, the pages you have visited and the links you have followed. We will use this information to make our website and the advertising displayed on it more relevant to your interests. We may also share this information with third parties for this purpose. These can be restricted or blocked

To give you a better experience, we use first-party cookies and third-party cookies. A first party cookie is a cookie that we set when you directly visit our website. A third-party cookie is one that is placed on your device by a website from an address other than directly from us.

If you continue without changing your settings, we'll assume that you are happy to receive all cookies our websites set. However, if you would like to, you can change your cookie settings at any time.
